To call woman the weaker sex is a libel, it is meant brute strength, then, indeed, is woman moral power, then woman is immeasurably ma is she not more self-sacrificing, has she not

greater courage? Without her, man could not the future is with woman. Who peal to the heart than woman?

and Nonviolent Change

man's injustice to woman. If by strength is
less brute than man. If by strength is meant
man's superior. Has she not greater intuition,
& greater powers of endurance, has she not

be. If nonviolence is the law of our being,
can make a more effective ap-
-Gandhi, Young India, 10/4/1930
